

## DLG-106 Rubberized Grip

# Features

- **Perfect grip upgrade for standard AR platform rifles with finger grooves for enhanced, more comfortable grip**
- **Improves trigger operation, reduces wrist fatigue and develops smooth rifle control**
- **With no 'beavertail', it is an excellent choice for shooters who prefer a smaller grip circumference**
- **Storage compartment with tight-sealing hinged door for batteries and cleaning kits**
- **Available in black, olive drab green, or flat dark earth**
- **All mounting hardware included**
